

The diagram consists of three nested rectangles. The outermost rectangle is red and represents the 'Datenformat' (Data Format) with dimensions 100 x 70 mm. Inside it is a blue rectangle representing the 'Endformat' (End Format) with dimensions 94 x 64 mm. The space between the red and blue rectangles represents the 'Sicherheitsabstand' (Safety Margin) of 6 mm. Three arrows on the right side point from the text labels to the corresponding rectangles: the top arrow points to the red rectangle, the middle arrow points to the blue rectangle, and the bottom arrow points to the gap between them.

Datenformat: 100 x 70 mm

Endformat: 94 x 64 mm

**Sicherheitsabstand:
6 mm vom Datenformat**
