

Iso Drink Grapefruit-Citro

The diagram consists of two horizontal lines. The top line has a vertical tick mark at its left end, creating a gap below it. The distance between the bottom of this tick mark and the bottom of the line is labeled '6 mm'. Below this gap, the two lines meet at a single point. From this meeting point, a vertical tick mark extends downwards, creating an overlap below it. The distance between the top of this tick mark and the bottom of the line is labeled '5 mm'.
